

# COURTESY

Name: \_\_\_\_\_

**"Courtesy costs nothing but buys everything."**

*Ali ibne Abu Talib*

Name three ways Black Belt students (even when you're not YET a black belt) show courtesy:

---

---

---

When did you last show courtesy toward another person? What did you do to show courtesy?

---

---

When was the last time someone showed courtesy to you? What did they do to show courtesy? \_\_\_\_\_

---

---

**It's a "Goofus and Gallant" moment--On the left, show "discourtesy" (like slamming a door). On the right, show off Black Belt courtesy!**
