

# Conditional Black Belt Prep Cycle

## Winter 2024

Congratulations on earning your Conditional Black Belt! This upcoming Winter/Spring you are required to complete another training cycle to prepare you to test for your Certified First Degree Black Belt at the Black Belt Immersion Weekend, planned for May 10-12, 2024 at YMCA of the Rockies - Estes Park.

During this cycle, we will be focusing on detailing, fine-tuning, and polishing your technique. Like the prep cycle that you have already completed, there will be challenges and you are expected to continue growing both physically and mentally.

This manual includes the Conditional Black Belt prep cycle requirements and expectations. Please carefully read this entire manual and submit the Entrance Form (Page 9) and the Release of Information (Page 10) when you arrive for the Entrance Exam on January 13th.

Please submit the Prep Cycle Physical Form if you have any changes to the form from the last cycle to Dr. Johns via email [RippleEffectMedicalCoach@gmail.com](mailto:RippleEffectMedicalCoach@gmail.com).

### Prep Cycle Team

Ms. Schnur will be the Prep Cycle Director and Mrs. Emily Fox will be the Prep Cycle Coordinator for the Winter 2024 Prep Cycle. All communication should be sent through the dedicated prep cycle email: [prepcycle@rippleeffectmartialarts.com](mailto:prepcycle@rippleeffectmartialarts.com). We are excited to take this journey with you and we look forward to helping you achieve an even greater level of success.

### Expectations of Prep Cycle Students

This intense training requires dedication on your behalf, and it is critical to remember that *attitude is everything*. Black Belt is more than a physical achievement. The Black Belts and instructors at Ripple Effect Martial Arts expect that you increasingly embody the overall attitude and embrace the character attributes that we recite in the Black Belt Creed. Ultimately, our goal is to see you become strong leaders in the community and lead your life with integrity and perseverance.

- Parents and students: If you have any concerns or comments please bring them to your prep cycle team directly, since often emails can be misconstrued. Please allow 24 hours for response to emails.
- Please note that having a bad or disrespectful attitude on either side (parent or student) will result in your dismissal and you will need to wait until the next testing cycle.
- We have a Prep Cycle strike system for poor attitude or effort, including attendance and accountability. If a student receives 3 strikes, they will be dismissed from this prep cycle and will need to wait until the next testing cycle. A strike can be received for poor attitude, disrespect, and/or lack of effort on behalf of the parent or the student. Earning a strike will be directly communicated with the student and family in person or via email.

- Students will receive a grade (A, B, or C) for each prep cycle training based on their effort, attitude, and preparedness. Grades are intended to track student's progress. Students are responsible for asking their Prep Cycle leaders what grade they earned for a given practice. If a student forgets equipment, training notebook, has not completed their homework, or is late, the student will automatically have their grade decreased by a letter. Students who receive two consecutive C ratings will receive a strike.

**Make sure that you read this entire manual** so that you thoroughly understand the expectations of your Black Belt instructors and the criteria by which you will be evaluated. Prep cycle is intended to improve your martial arts technique, raise your level of performance, strengthen your Black Belt character, and prepare you for your Black Belt test. Participation does not guarantee your next rank; if at any point a student exhibits a poor attitude, negative behavior, or does not give their best effort, the student will be asked to wait until the next testing cycle. If, at any time, the instructors feel that a student is not ready for the Black Belt Test, we will postpone their test date while the student addresses the needed skills to succeed in achieving their Black Belt goals. Your instructors are always evaluating your performance.

## **Health and Safety**

Any changes in your medical status should be communicated with Dr. Johns [RippleEffectMedicalCoach@gmail.com](mailto:RippleEffectMedicalCoach@gmail.com) prior to the first practice and follow any modifications as she deems appropriate.

## **Prep Cycle Entrance Exam**

All Conditional Black Belt students are required to attend and pass the Prep Cycle Entrance Exam. Students are expected to know all of their curriculum in order to be accepted to the Prep Cycle program. The Entrance Exam will be Saturday, January 13th, 3:30pm - 5:30pm at the Ripple Effect Johnstown school.

## **Prep Cycle Trainings**

The full Conditional Black Belt Prep Cycle practice schedule is provided below. Prep Cycle Trainings consist of one weekend joint practice each week. Conditional practice requirements are currently scheduled at a decreased frequency prior to the midcycle test. For practices marked on the below schedule as "Conditionals Not Required", you are not required to attend these practices but you are welcome to join if you would like. However, any practices marked as "High Brown Belt Only", we ask that you not attend these practices without prior permission from the prep cycle leadership team. This decrease is dependent on performance and additional practices may be added based on the needs of the group and/or individual student. Note that the location and times vary throughout the cycle. Any changes to scheduled location or times will be communicated via email as soon as possible.

Prep Cycle practices will consist of conditioning and curriculum review. Please bring your belt, all sparring gear, all weapons, water bottle, training notebook, and a writing utensil to all practices. Prep Cycle practices are designed to detail and fine tune existing curriculum, not to teach new material. Students are responsible for filling any and all knowledge gaps in curriculum (combinations, forms, words of the belt) on their own.

We will make every effort to start and end each training session on-time, however **there may be times when we must stay late or come in early to meet our training objectives. We may need to schedule additional days of training. This will be done at the Prep Cycle Coordinator's discretion and the cooperation of the student and family are expected.** We will communicate any schedule changes as soon as possible. Please respectfully bring schedule change concerns directly to the Prep Cycle Leadership Team.

### **Training Attendance Expectations**

*Excused Absences:* Conditional Black Belt students may have no more than 2 excused absences from the prep cycle trainings to be eligible to test in May. It is encouraged that the student complete more than the minimum required training hours. If necessary, students may ask to attend non-required prep cycle trainings (marked not required in table above) to make up for absences.

*Unexcused Absences:* Absences will be considered unexcused if a student fails to contact the prep cycle team in writing **within 24 hours** of a scheduled training or if they arrive more than 5 minutes late to practice. If a student has more than 2 unexcused absences, they will be excused from training and moved to the next testing cycle.

If a student misses a prep cycle practice, it is the student's responsibility to ask a teammate for what they missed. Private lessons with instructors are not permitted during prep cycle. Not knowing your curriculum is grounds for dismissal.

### **Class Attendance Requirements**

Conditional Black Belt Students **must** attend an average of 1) one belt rank class per week, 2) one upper belt (Leadership, Red Belt or above) sparring class, and 3) SWAT one lower belt class (3 classes total minimum per week). During lower belt testing weeks, students only need to attend one belt rank class. **Conditional Black Belt students have three new forms and will only be taught in Conditional Black Belt class.** Students must keep track of all classes attended in their Training Notebook. Prep Cycle training sessions are not intended to be a substitution for your regular classes, and your leadership in the school is expected. If you do not meet these requirements, you will not be allowed to test.

### **Prep Cycle Homework**

You will be provided with exercises/curriculum homework to do outside of class/prep cycle practices. Students are responsible for keeping their homework logs in their dedicated Training Notebook.

These exercises are designed to prepare students for the conditioning portion of their Black Belt training and test. Each week students are also required to complete at least one run, increasing distance each week. A running log and weekly exercise logs are provided at the end of this manual and should be **printed out and logged** as students complete each exercise. Students will be asked to show their running and exercise logs during trainings. Not completing homework will result in a decreased training grade and is grounds for dismissal from prep cycle.

Students are also responsible for practicing and reviewing curriculum 10-15 minutes per day. The Prep Cycle Team will in some cases assign specific curriculum to review or students should review their general curriculum.

### **HERO Project**

All Conditional Black Belt students are required to complete a HERO project, where students identify one student in their school who may need additional help to pass their next belt test, this may be the same student worked with during High Brown Belt prep cycle. The purpose of the HERO project is to further develop leadership skills, including awareness of others and leading practices.

Conditional Black Belt students are responsible for identifying a student, approaching the students' family to discuss the HERO project, and setting up a time to review and practice their curriculum. Students chosen for the HERO project should be Purple belt up to Brown Belt. We recommend the time spent reviewing curriculum to not exceed 15-20 minutes; prep cycle students are welcome to add additional time to warm up or lead their student through a skills drill.

HERO Project Students should be selected in the first half of prep cycle. The HERO Project Form is due at your mid-cycle exam (March 2nd) and will be required for you to test. Details of your HERO project (practice times, struggles and challenges, and your HERO student's progress) are to be included in your Training Notebook.

### **Leadership Project**

Conditional Black Belt students are required to complete a leadership project and prepare a 3-minute PowerPoint/Google Slides presentation to be presented at the Black Belt Test. Leadership projects should reflect the practical application of the leadership skills gained through one's training at Ripple Effect Martial Arts. Leadership projects completed within the last year are eligible but must be well-documented and show an impact in the community. Submit your project for approval by the prep cycle team by the Mid-cycle test, (March 2) using the Leadership Project Form at the end of this manual.

**Leadership project slides will be due by Friday, May 3, 2023 to Mr. Matthew ([tmatthew@rippleeffectmartialarts.com](mailto:tmatthew@rippleeffectmartialarts.com)).**

### **Black Belt Spectacular Creative Form**

All Conditional Black Belt students are required to create a 30 second creative form, which they will perform during the celebration during the Black Belt Test Weekend. These forms should show off skills learned through students' training at Ripple Effect Martial Arts. Students can choose to perform their form to music, which can be up to 30 seconds in length. In order to make sure that everyone has time to present, please make sure that student's forms aren't longer than 30 seconds. **Creative form music details are due by Friday, May 3, 2023 to Mr. Matthew ([tmatthew@rippleeffectmartialarts.com](mailto:tmatthew@rippleeffectmartialarts.com)).** Students performing without music should send this information to Mr. Matthew as well.

## **Volunteer Hours**

Students are expected to complete 40 volunteer hours by the time they are testing for their Certified Black Belt. Volunteer hours include any time spent helping individuals or organizations outside of your family. Volunteer hours can include hours completed at any point since the student earned their White Belt. Start looking for volunteer opportunities now! A log for volunteer hours can be found in their white student binder or on the [prep cycle webpage](#).

## **Goal Setting**

Students need to set a minimum of 2 goals related to their martial arts training. Goals can include short-term or long-term goals. These goals should be listed on the Entrance Form at the end of this manual. The Entrance Form is due on January 13th (entrance exam). Students should be re-evaluating their goals throughout prep cycle and be ready to discuss them with the prep cycle leadership team when requested.

## **Training Notebook**

All Conditional Black Belt students are required to maintain a training notebook which must have the following up-to-date information at minimum.

1. Written goals that you listed on your Entrance Form
2. Log of prep cycle training sessions attendance
3. Log of belt rank classes attended (dates)
4. Log of upper belt (leadership, red belt or higher) sparring classes attended (dates, class)
5. Log of SWAT classes attended (dates, class)
6. Printed and completed homework logs
7. HERO project details
8. Log of volunteer hours (40 needed)

## **Future Communication**

A calendar of all practices can be found at [RippleEffectMartialArts.com/blackbeltprep](http://RippleEffectMartialArts.com/blackbeltprep). This manual, as well as training references will be posted on this site as well. Please check it regularly. While changes to the schedule will be posted online, last minute changes (which will be few) and reminders will be sent out via email. Please sign and submit the Entrance Form and Prep Cycle Physical Form (if applicable) by the Entrance Exam (January 13). Below is a checklist to follow and stay on track as you prepare for your test in November (the checklist does not need to be turned in).

# Weekly Homework Exercises

You are required to complete homework exercises FIVE days each week, M-F. Homework is to begin the week of Monday, January 22nd.

The following pages include weekly homework exercise logs for each week between the start of the cycle and the Black Belt Immersion week. Each week, you have a list of exercises and will need to complete those exercises for a set amount of seconds. On your weekly log, you should record the date and the number of reps of each exercise that you completed in the given time frame. For items marked with a (\*), you will record the number of failures you had during that time frame (for example: how many times did my foot drop or did I lose my balance while holding side kicks OR how many times did I rest my hands on my legs or did I break form while holding a wall sit). There is also a spot to record what curriculum you worked on while reviewing on your own during the week. Please make sure you are taking care of your body and spending time stretching each day BEFORE completing your homework exercises. If you have the time, it's also recommended to stretch afterwards as well. Even just a few minutes of stretching can make a huge difference to your muscles.

Please review the below exercises and take note of any you may be unfamiliar with. You will be given an opportunity to request to see a demonstration of any of these exercises during your first practice. After the first practice, if you do not know how to complete an exercise, please ask a teammate.
