FAMILY DISCUSSION

What does compassion mean?

Share about a time when someone showed you compassion.
What did they do? Why did they do it? How did it make you feel? As a family, decide on one thing you can do to be compassionate towards someone else. What will you do?

CUT AND GLUE ACTIVITY

When we show compassion to others, we show that we care. That makes their heart happy, and it makes our heart happy too. Cut ✂ out the kids that are showing compassion towards each other. Glue your cut out in the happy heart box below.
